

April 27(Thu) - 30(Sun), 2023
Coex, Seoul, Korea

Dear Members of the Japanese Society for Dialysis Therapy, Taiwan Society of Nephrology,

It is our great pleasure to invite you to KSN 2023 (43rd Annual Meeting of the Korean Society of Nephrology) which will be held at COEX Convention Center, Seoul, Korea from April 27(Thu) to 30 (Sun), 2023.

Under the theme "Save Kidney, Save All", KSN 2023 is designing the best possible program with high quality scientific sessions that will provide a great opportunity for participants to keep up-to-date with the latest research findings in various fields of nephrology, including Plenary Sessions with key opinion leaders in the global nephrology community and joint symposia with related societies.

In hopes that the global situation will improve, we are preparing the upcoming congress in person. So please join us in Seoul at one of its most beautiful time of the year, and share your valuable expertise with us as well as enjoy all the programs we have prepared for you at KSN 2023.

Please feel free to visit our official website for **KSN2023** that is now in place: <https://www.ksnmeeting.kr/>

Also, we are launching an **international membership website** (<https://ksn.or.kr/eng/member/info.php>) this December where you can find benefits for discounts on article processing fees for our official journal, the Kidney Research and Clinical Practice, and travel grants for our annual congresses.

We hope to see you in Seoul 2023!

Sincerely,

The Korean Society of Nephrology

External Affairs and Cooperation Committee
